

# Master Indicator List

The Master Indicator List contains standard Foreign Assistance Indicators for Standardized Program Structure Objectives, Areas, and Elements. The list identifies Indicators which have been newly introduced or archived, and tagging exists to identify Indicators associated with certain subject areas, including Capacity Building; Global Climate Change; Gender; Global Health; Feed the Future; Public-Private Partnerships; Science, Technology, Innovation and Research; Multilateral Contributions; and APP/APR.

*\*Indicators associated with a particular subject area are referenced by 'Yes' in the subject area column.*

*\*Indicators which are Required as Applicable for a particular subject area are referenced by 'Req' in the subject area column.*

*\*The list may be filtered to identify Indicators associated and/or required for a subject area; and to separate primary indicators from disaggregates (all disaggregates appear in red).*

*\*Indicator Reference Sheets (IRS) are available for each Standard Foreign Assistance Indicator. Visit <http://f.state.sbu/Pages/Indicators.aspx> for the complete catalog of reference sheets.*

[Science, Technology and Innovation/Research](#)

<b>Objective 1 Peace &amp; Security</b>	
1.1-3	Number of publicly reported terrorism incidents in a given year worldwide. (S/CT reporting only)
1.1.1-1	Number of students trained on counterterrorism finance by USG programs
1.1.1-2	Number of Ports of Entry supported by USG Terrorist Interdiction Programs
1.1.1-4	The number of the highest counterterrorism (CT) priority countries that have committed to screen for terrorists using the Terrorist Interdiction Programs' Personal Identification Secure Comparison and Evaluation System (PISCES) border security system
1.1.2-2	The number of terrorism-related arrests in regions where Countering Violent Extremism (CVE)-specific programming has been implemented by the USG.
1.1.2-3	Number of Countering Violent Extremism (CVE) programs directly related to US Government CVE objectives implemented in country by civil society and partner governments
1.1.3-2	Number of students trained in anti-terrorism topics and skills through the Anti-Terrorism Assistance (ATA) program
1.1.3-6	Number of specific anti-terrorism capacity-building programmatic objectives achieved, as defined in the Country Assistance Plans (CAPs) for ATA partner nations
1.1.3-7	Number of Counterterrorism Engagement-funded multilateral training and capacity building activities conducted by multilateral organizations that promote effective counterterrorism policies and programs (S/CT only)
1.2-2	Aggregate bilateral country Rating Assessment Tool score demonstrating the status of an effective and institutionalized export control system that meets international standards across all program countries
1.2-3	Overall bilateral country Rating Assessment Tool score demonstrating status of an effective and institutionalized strategic trade control system meeting international standards
1.2.1-2	Number of participants trained in strategic trade controls
1.2.1-3	Number of Global Initiatives to Combat Nuclear Terrorism (GINCT) activities conducted by partner nations
1.2.1-4	Number of actions to prevent nuclear smuggling
1.2.1-5	Number of activities funded by the Global Threat Reduction (GTR) program across all program elements
1.2.1-6	Number of Activities carried out to Improve Pathogen Security, Laboratory Biosafety, and Biosecurity
1.3-8	Country score on Index of State Weakness in the Developing World
1.3-9	Number of training and capacity building activities conducted with USG assistance that are designed to promote the participation of women or the integration of gender perspectives in security sector institutions or activities.
1.3.1-3	Number of exercises host country military personnel participate in with US or coalition forces as a result of USG assistance
1.3.1-6	Number of fulltime, trained host nation peace-keeping staff
1.3.1-11	Improvements (or deterioration) in the security situation as ascertained through UN Department of Safety & Security (UN DSS) reports
1.3.2-9	Percent of weapons collected from ex-combatants and armed belligerents with USG assistance
1.3.2-10	Percent of forces transitioning from war to peace status
1.3.2-11	Number of child soldiers identified
1.3.2-12	Percent of transition programs available to the total force to be reintegrated that contain the three core elements
1.3.3-5	Percent of weapons destroyed
1.3.3-6	Percent of man-portable air defense systems (MANPADS) accounted for and verified
1.3.4-7	Overall percent of roads and railroads cleared of potential harmful effects of explosive ordnance (trend data)
1.3.4-8	Percent of countries where the number of injured victims from conventional weapons is reduced
1.3.4-9	Index score of host nation's ability to address explosive remnants of war (ERW)
1.3.5-7	Number of crimes against civilians documented by host nation citizens with USG support
1.3.5-8	Number of USG supported activities to stop/prevent human rights violations
1.3.5-9	Number of alternative efforts which avoid high-risk activities that place civilians in vulnerable and dangerous situations implemented, funded or supported by USG
1.3.6-7	Partners' security forces' rated ability to actively maintain their territorial (land, maritime, air) integrity
1.3.6-8	Overall rank of partner country's security forces' emergency disaster response services
1.3.6-9	Overall rank of partner country's security forces' ability to provide emergency disaster response services.
1.3.7-5	Host nation government functioning score
1.3.7-6	Percent of communities in USG-assisted areas implementing principles taught in law enforcement training
1.3.7-7	Number of individuals recruited and trained as Natural Resources law enforcement officers
1.3.7-8	Percentage of new recruits to national militaries who are women
1.3.7-9	Percentage of new recruits to national police forces who are women
1.3.7-10	Percentage of USG-funded police advisors deployed to host nations who are women
1.4-5	Percent of counternarcotics projects with nationalization milestones in bilateral agreements.
1.4-6	Percent of counternarcotics capabilities successfully transferred to Host Nation.

**MASTER INDICATOR LIST (MIL)**

Updated 9/28/2012

1.4-7	Percent of political districts provinces that are not a major source of narcotics cultivation.
1.4.1-2	Average amount of illicit narcotics and precursor chemicals seized by USG assisted units.
1.4.1-3	Sales, in kilos, of licit farm and non-farm products sold by individuals directly receiving products in USG funded assistance area.
1.4.1-4	Hectares of crops under cultivation that could be potentially converted to illicit narcotics.
1.4.3-3	Percentage of days per month that selected interdiction vessels are available for operations.
1.4.3-4	The number of people in a host country who received USG-funded counternarcotics training.
1.4.3-5	Percent of USG-provided equipment that is operational for project related activities (EUM) .
1.4.4-8	Recidivism by addicts who have completed drug prevention and demand reduction programs.
1.5-6	Country rating on change in activities to successfully combat transnational crime, as measured by a reference scale.
1.5.1-1	The existence of Financial Intelligence Unit (FIU) in host country
1.5.1-2	The number of people in a host country who received USG-funded anti-money laundering or financial crime prevention training
1.5.1-4	Country rating on level of commitment to address money laundering and financial crimes.
1.5.2-1	Person hours of training completed and supported by the USG in a host country on intellectual property theft and/or cyber security
1.5.2-2	Listing or non-listing of country on "Priority Watchlist" or the "Watchlist" on the U.S. Trade Representative's Special 301 Report
1.5.2-3	The number of Intellectual Property Offices (Copyright, Patent, and Trademark) in a host country that are recognized by the World Customs Organization.
1.5.3-13	Percent change in awareness of trafficking in persons (TIP) in targeted populations, including vulnerable populations, law enforcement, health care providers, educators, and others.
1.5.3-14	The number of people in targeted populations, including vulnerable populations, law enforcement, health care providers, educators, and others, exposed to a USG-funded mass media campaign that provides information about TIP.
1.5.3-15	Country rating on capacity of the host government to provide protection to TIP victims
1.5.3-16	The number of anti-TIP policies, laws or international agreements strengthened with USG assistance
1.5.3-17	The number of host nation criminal justice personnel who received USG-funded anti-TIP training during the life of a project.
1.5.3-18	The number of victims of TIP receiving services with USG assistance
1.5.4-8	The number of members of criminal organizations successfully extradited and prosecuted in the US as a result of USG cooperation and assistance.
1.5.4-9	The number of law enforcement actions supported by USG assistance that result in criminal organizations or gangs being disrupted, dismantled and/ or expelled in a host country
1.5.4-10	Number of successful prosecutions of members of criminal organizations/gangs based upon investigations utilizing cooperation among domestic and international partners working through USG assistance
1.6-4	Country political stability and absence of violence point value score
1.6-5	Number of battle deaths
1.6-6	Number of local women participating in a substantive role or position in a peacebuilding process supported with USG assistance.
1.6.1-10	Country score on the Media Sustainability Index (MSI) on media plurality
1.6.1-11	Point value rating of conflict intensity (1-10)
1.6.1-12	Number of new groups or initiatives created through USG funding, dedicated to resolving the conflict or the drivers of the conflict
1.6.1-13	Number of host national inhabitants reached through USG-assisted public information campaigns to support peaceful resolution of conflicts
1.6.1-14	Number of media stories disseminated with USG support to facilitate the advancement of reconciliation or peace processes
1.6.2-12	Number of USG-funded events, trainings, or activities designed to build support for peace or reconciliation on a mass scale
1.6.2-13	Number of USG supported events, trainings, or activities designed to build support for peace or reconciliation among key actors to the conflict
1.6.2-14	Number of people participating in USG-supported events, trainings, or activities designed to build mass support for peace and reconciliation.
1.6.3-4	Country Political Instability Risk score
1.6.3-5	Number of activities undertaken by USG operating units to integrate sensitivity to conflict dynamics into diplomatic, development, or defense activities
1.6.3-6	Number of peace-building organizations receiving conflict analysis or conflict early warning reports from USG-supported early warning systems.
1.6.3-7	Number of conflict/fragility early warning systems, conflict assessments, or response mechanisms supported by USG assistance
<b>Objective 2 Governing Justly &amp; Democratically</b>	
2.1-6	Averaged score for "access to civil Justice" and "Effective Criminal Justice" factors from the World Justice Project Rule of Law Index
2.1-7	Composite of "Physical Integrity Rights Index" and "New Empowerment Index" scores from the Cingraneli and Richards (CIRI) Human Rights Dataset [Index]
2.1.1-1	Constitution incorporating fundamental freedoms drafted or amended with USG assistance
2.1.1-4	Number of USG-supported Public Sessions Held Regarding Proposed Changes to the Country's Legal Framework
2.1.1-5	Number of laws or constitutional amendments that protect fundamental freedoms and are consistent with international human rights standards adopted with USG support

**MASTER INDICATOR LIST (MIL)**

2.1.1-6	Number of laws, regulations, amendments or provisions that would violate fundamental freedoms or international human rights standards as proposed but whose offending provisions were defeated with USG support
2.1.2-2	Number of laws, regulations and procedures designed to enhance judicial independence supported with USG Assistance
2.1.2-6	Independence of Judiciary in Cingranelli and Richards (CIRI) Human Rights Dataset [Index]
2.1.2-7	Number of Judges and judicial personnel Trained with USG Assistance
2.1.3-13	Number of USG-assisted courts with improved case management systems
2.1.3-16	Number of individuals/groups from low income or marginalized communities who received legal aid or victim’s assistance with USG support
2.1.3-17	Number of USG-assisted campaigns and programs to enhance public understanding, NGO support and media coverage of judicial independence and accountability
2.1.4-3	Number of domestic NGOs engaged in monitoring or advocacy work on human rights receiving USG support
2.1.4-6	Number of USG supported national human rights commissions and other independent state institutions charged by law with protecting and promoting human rights that actively pursued allegations of human rights abuses during the year
2.1.4-7	Number of human rights defenders trained and supported
2.2-2	Government Effectiveness Index Score
2.2-3	Number of activities supported with USG assistance that are designed to retain women or recruit women into positions within the national or local government.
2.2.1-3	Number of draft laws subject to substantive amendment and final vote in legislatures receiving USG assistance
2.2.1-4	Number of Executive Oversight Actions Taken by Legislature Receiving USG Assistance
2.2.1-6	Number of Public Forums Resulting from USG Assistance in Which National Legislators and Members of the Public Interact
2.2.1-7	Number of USG-assisted civil society organizations that participate in legislative proceedings and/or engage in advocacy with national legislature and its committees
2.2.2-6	Number of training days provided to executive branch personnel with USG assistance
2.2.3-2	Number of Laws or Amendments Promoting Decentralization Drafted with USG Assistance
2.2.3-5	Number of sub-national entities receiving USG assistance that improve their performance
2.2.3-8	Percentage of local governments audited on an annual basis as reported by the central government auditing body
2.2.3-9	Percent of local elected councils and and/or mayorships undergoing turnover in political party control from one election to the next.
2.2.4-2	Number of government officials receiving USG-supported anti-corruption training
2.2.4-4	Number of mechanisms for external oversight of public resource use supported by USG assistance
2.2.4-5	Number of people affiliated with non-governmental organizations receiving USG supported anti-corruption training
2.2.4-7	Number of USG-Supported Anti-corruption Measures Implemented
2.2.4-8	Corruption Perception Index Score
2.3-3	Freedom in the World Score for <i>Free</i> , <i>Partly Free</i> or <i>Not Free</i>
2.3-4	Status as Electoral Democracy based on Freedom House rating
2.3.1-4	Number of USG-assisted consensus-building processes resulting in an agreement
2.3.1-6	Number of Groups Trained in Conflict Mediation/Resolution Skills or Consensus Building Techniques with USG-Assistance
2.3.1-7	Number of consensus building forums (multi-party, civil/security sector, and/or civil/political) held with USG Assistance
2.3.2-3	Number of Election Officials Trained with USG Assistance
2.3.2-6	Number of Laws or Amendments to Ensure Credible Elections Drafted with USG Technical Assistance
2.3.2-11	Number of Domestic Election Observers and/or Party Agents Trained with USG assistance
2.3.2-12	Number of individuals receiving voter and civic education through USG-assisted programs
2.3.2-13	<i>Freedom in the World</i> Political Rights sub-score for Electoral Process
2.3.3-1	Number of Individuals who Receive USG-Assisted Political Party Training
2.3.3-6	Number of USG-assisted political parties implementing initiatives to increase the number of candidates and/or members who are women, youth and from marginalized groups.
2.3.3-7	Freedom House <i>Freedom in the World</i> Political Rights sub-score for Political Pluralism and Participation
2.3.3-8	Number of political parties receiving USG assistance to help them develop more programmatic platforms and policy agendas.
2.4-5	Composite score of two Civil Liberties subcategories from Freedom House Freedom in the World Index—“Freedom of Expression and Belief” and “Associational and Organizational Rights”.
2.4-6	Number of USG-supported activities designed to promote or strengthen the civic participation of women.
2.4.1-4	Number of independent and democratic trade/labor unions supported by USG to promote international core labor standards
2.4.1-6	Number of People who Have Completed USG Assisted Civic Education Programs
2.4.1-9	Number of civil society organizations (CSOs) receiving USG assistance engaged in advocacy interventions.
2.4.1-10	USAID NGO Sustainability Index- Europe & Eurasia (29 countries), Africa (19 countries), MENA (7 countries)

## MASTER INDICATOR LIST (MIL)

2.4.1-11	Number of USG-funded organizations representing marginalized constituencies trying to affect government policy or conducting government oversight.
2.4.1-12	Number of public policies introduced, adopted, repealed, changed or implemented consistent with citizen input
2.4.2-5	Number of Non-state News Outlets Assisted By USG
2.4.2-8	Number of training days provided to journalists with USG Assistance, measured by person-days of training.
2.4.2-9	Score on the Freedom of the Press Index
2.4.2-10	Rating on IREX Media Sustainability Index
2.4.2-11	Number of USG-assisted Media-Sector Civil Society Organizations (CSO) and/or Institutions that serve to strengthen the independent media or journalists
<b>Objective 3 Investing In People</b>	
3.1.1-6	Number of adults and children with advanced HIV infection newly enrolled on ART (PEPFAR Output - #T1.1.D)
3.1.1-10	Number of adults and children with advanced HIV infection receiving antiretroviral therapy (ART) (PEPFAR output - #T1.2.D)
3.1.1-24	Number of individuals who received Testing and Counseling (T&C) services for HIV and received their test results (PEPFAR Output - #P11.1.D)
3.1.1-39	Number of HIV-positive pregnant women who received antiretrovirals to reduce risk of mother-to-child-transmission (PEPFAR output -#P1.2.D)
3.1.1-59	Number of pregnant women with known HIV status (includes women who were tested for HIV and received their results) (PEPFAR output - #P1.1D)
3.1.1-60	Percent of pregnant women with known HIV status (includes women who were tested for HIV and received their results) (National outcome - #P1.1N))
3.1.1-61	Percent of HIV-positive pregnant women who received antiretrovirals to reduce risk of mother-to-child-transmission (National outcome - #P1.2N))
3.1.1-62	Number of injecting drug users (IDUs) on opioid substitution therapy (PEPFAR Output - #P4.1.D)
3.1.1-63	Number of males circumcised as part of the minimum package of MC for HIV prevention services (PEPFAR Output - #P5.1.D)
3.1.1-64	Number of persons provided with post-exposure prophylaxis (PEP) (PEPFAR Output - #P6.1.D)
3.1.1-65	Number of People Living with HIV/AIDS (PLHIV) reached with a minimum package of Prevention with PLHIV (PwP) interventions (PEPFAR Output - #P7.1.D)
3.1.1-66	Number of the targeted population reached with individual and/or small group level HIV prevention interventions that are based on evidence and/or meet the minimum standards required (PEPFAR Output - #P8.1D)
3.1.1-67	Number of the targeted population reached with individual and/or small group level HIV prevention interventions that are primarily focused on abstinence and/or being faithful, and are based on evidence and/or meet the minimum standards required (PEPFAR Output - #P8.2D - Subset of indicator #P8.1.D)
3.1.1-68	Number of MARP reached with individual and/or small group level HIV preventive interventions that are based on evidence and/or meet the minimum standards required (PEPFAR Output - #P8.3.D)
3.1.1-69	Number of eligible adults and children provided with a minimum of one care service (PEPFAR output - #C.1.1D)
3.1.1-70	Number of eligible adults and children provided with a minimum of one care service (National output - #C1.1N)
3.1.1-71	Number of HIV-positive adults and children receiving a minimum of one clinical service (PEPFAR output - #C2.1D)
3.1.1-72	Number of HIV-positive persons receiving Cotrimoxazole (CTX) prophylaxis (PEPFAR Output - #C2.2.D - Subset of indicator #C2.1.D)
3.1.1-73	Number of HIV-positive clinically malnourished clients who received therapeutic or supplementary food (PEPFAR Output - #C2.3.D)
3.1.1-74	Percent of HIV-positive patients who were screened for TB in HIV care or treatment setting (PEPFAR Output - #C2.4.D)
3.1.1-75	Percent of HIV-positive patients in HIV care or treatment (pre-ART or ART) who started TB treatment (PEPFAR Output - #C2.5D)
3.1.1-76	Number of eligible clients who received food and/or other nutrition services (PEPFAR Output - #C5.1.D)
3.1.1-77	Percent of adults and children with advanced HIV infection receiving antiretroviral therapy (ART) (National outcome - #T1.2.N)
3.1.1-78	Percent of adults and children known to be alive and on treatment 12 months after initiation of antiretroviral therapy (PEPFAR Output - #T1.3.D)
3.1.1-79	Number of testing facilities (laboratories) with capacity to perform clinical laboratory tests (PEPFAR Output - #H1.1.D)
3.1.1-80	Percent of testing facilities (laboratories) that are accredited according to national or international standards (PEPFAR Outcome - #H1.2.D)
3.1.1-81	Number of new health care workers who graduated from a pre-service training institution within the reporting period (National Outcome - #H2.1.N)
3.1.1-82	Number of new health care workers who graduated from a pre-service training institution within the reporting period (PEPFAR Output - #H2.1.D)
3.1.1-83	Number of community health and para-social workers who successfully completed a pre-service training program (PEPFAR Output - #H2.2.D)
3.1.1-84	Number of health care workers who successfully completed an in-service training program within the reporting period (PEPFAR Output - #H2.3.D)
3.1.1-85	Percent of infants born to HIV-positive women who received an HIV test within 12 months of birth
3.1.1-86	Percent of HIV-positive pregnant women who received antiretrovirals to reduce risk of mother-to-child-transmission (PEPFAR output -#P1.2.D)
3.1.2.1-1	Percent of registered new smear positive pulmonary TB cases that were cured and completed treatment under DOTS nationally (Treatment Success Rate)
3.1.2.1-2	Case notification rate in new sputum smear positive pulmonary TB cases per 100,000 population nationally
3.1.2.1-3	Number of new TB cases reported to National TB Programs (NTP) by non-MOH organizations
3.1.2.1-4	Percent of USG-supported laboratories performing TB microscopy with 95% or higher rate of correct results
3.1.2.1-5	National TB smear microscopy laboratory coverage
3.1.2.2-1	Percent of TB patients tested for HIV

**MASTER INDICATOR LIST (MIL)**

Updated 9/28/2012

3.1.2.3-1	Number of new multi-drug resistant-TB (MDR-TB) patients diagnosed and initiated on treatment
3.1.2.3-2	Percent of successfully treated MDR TB (category IV TB) cases
3.1.2.9-1	Number of participants in a country trained in the components of the WHO Stop TB Strategy with USG funding
3.1.3-43	Under-Five Mortality Rate
3.1.3.1-1	Number of health workers trained in case management with artemisinin-based combination therapy (ACTs) with USG funds
3.1.3.1-2	Number of artemisinin-based combination therapy (ACT) treatments purchased by other partners that were distributed with USG funds
3.1.3.1-3	Number of artemisinin-based combination therapy (ACT) treatments purchased with USG funds
3.1.3.1-4	Number of artemisinin-based combination therapy (ACT) treatments purchased in any fiscal year with USG funds that were distributed in this reported fiscal year (3.1.3-2)
3.1.3.1-5	Number of health workers trained in malaria laboratory diagnostics (rapid diagnostic tests (RDTs) or microscopy) with USG funds
3.1.3.1-6	Number of malaria rapid diagnostic tests (RDTs) purchased with USG funds
3.1.3.1-7	Number of rapid diagnostic tests (RDTs) purchased in any fiscal year with USG funds that were distributed to health facilities in this reported fiscal year
3.1.3.2-1	Number of insecticide treated nets (ITNs) purchased by other partners that were distributed with USG funds
3.1.3.2-2	Number of insecticide treated nets (ITNs) purchased with USG funds (3.1.3-10)
3.1.3.2-3	Number of insecticide treated nets (ITNs) purchased in any fiscal year with USG funds that were distributed in this reported fiscal year.
3.1.3.2-4	Number of insecticide treated nets (ITNs) re-treated with insecticides with USG funds
3.1.3.2-5	Proportion of households with at least one insecticide-treated net (ITN)
3.1.3.2-6	Proportion of children under 5 years old who slept under an insecticide-treated net (ITN) the previous night
3.1.3.2-7	Proportion of pregnant women who slept under an insecticide-treated net (ITN) the previous night
3.1.3.3-1	Number of people trained with USG funds to deliver indoor residual spraying (IRS) (3.1.2-23)
3.1.3.3-2	Number of houses targeted for spraying with USG funds
3.1.3.3-3	Number of houses sprayed with IRS with USG funds (3.1.3-6)
3.1.3.3-4	Total number of residents of sprayed houses
3.1.3.4-1	Number of health workers trained in intermittent preventive treatment in pregnancy( IPTp) with USG funds
3.1.3.4-2	Number of sulfadoxine-pyrimethamine (SP) tablets purchased with USG funds
3.1.3.4-3	Number of sulfadoxine-pyrimethamine (SP) tablets purchased in any fiscal year with USG funds that were distributed to health facilities in this reported fiscal year.
3.1.3.4-4	Proportion of Women who Received Intermittent Preventive Treatment (IPT) During Antenatal Care (ANC) Visits during Their Last Pregnancy
3.1.5-32	Number of Neglected Tropical Disease (NTD) Treatments delivered through USG-funded programs
3.1.5-34	Number of people trained with USG funds in non-Neglected Tropical Diseases, other infectious diseases, and issues of public health importance.
3.1.5.2-1	Number of consolidated national Non-Communicable Diseases and Injury action plans finalized which were developed with USG assistance.
3.1.5.2-2	Percent of pregnant women who received counseling on the effects of tobacco and smoking in USG-assisted health facilities.
3.1.5.2-3	Number of USG assisted service delivery points offering a basic package of Non Communicable Disease and Injury (NCDI) prevention and control services.
3.1.6-54	Under Five Mortality Rate (U5MR)
3.1.6-58	Maternal Mortality Ratio (MMR)
3.1.6-60	Newborn Mortality Rate
3.1.6.1-1	Percent of Births Attended by a Skilled Doctor, Nurse or Midwife (3.1.6-40)
3.1.6.1-2	Percent of Births receiving at least 4 antenatal care (ANC) visits during pregnancy (3.1.6-48)
3.1.6.2-1	Percent of births delivered by caesarean section (3.1.6-46)
3.1.6.3-1	Percent of newborns receiving postnatal health check within two days of birth (3.1.6-47)
3.1.6.4-1	Percent of children who received DPT3 vaccine by 12 months of age
3.1.6.4-2	Percent of children who receive the third dose of haemophilis influenza B vaccine (Hib3) by age 12 months
3.1.6.4-3	Percent of children who have received the third dose of Pneumococcal conjugate vaccine by 12 months of age
3.1.6.4-4	Percent of children 12-23 months of age who have received measles vaccine by 12 months of age
3.1.6.5-1	Rate of non-polio acute flaccid paralysis (AFP) cases occurring per 100,000 children less than 15 years of age (non-polio AFP rate)
3.1.6.7-1	Percent of children under five years old with diarrhea treated with Oral Rehydration Therapy (ORT) (3.1.6-43)
3.1.6.7-2	Percent of children with pneumonia taken to appropriate care (3.1.6-44)
3.1.6.8-1	Percent of households with soap and water at a handwashing station commonly used by family members (3.1.6-51)
3.1.6.8-2	Percent of households in target areas practicing correct use of recommended household water treatment technologies
3.1.6.8-3	Percent of population in target areas practicing open defecation
3.1.6.8-4	Number of liters of drinking water disinfected with point-of-use treatment products as a result of USG assistance

**MASTER INDICATOR LIST (MIL)**

Updated 9/28/2012

3.1.6.8-5	Number of communities certified as “open defecation free” (ODF) as a result of USG assistance
3.1.7-38	MCPR: Modern method contraceptive prevalence rate
3.1.7-39	First birth under 18
3.1.7.1-1	Couple Years protection in USG supported programs
3.1.7.1-2	Percent of USG-assisted service delivery points (SDPs) that experience a stockout at any time during the defined reporting period of any contraceptive method that the SDP is expected to provide
3.1.7.1-3	Percent of USG-assisted service delivery sites providing family planning (FP) counseling and/or services.
3.1.7.1-4	Number of additional USG-assisted community health workers (CHWs) providing family planning (FP) information and/or services during the year
3.1.7.2-1	Percent of audience who recall hearing or seeing a specific USG-supported FP/RH message
3.1.8-31	Percent of population using an improved drinking water source
3.1.8-32	Percent of population using an improved sanitation facility
3.1.8-33	Percentage of children under age five who had diarrhea in the prior two weeks
3.1.8.1-1	Percent of households using an improved drinking water source
3.1.8.1-2	Number of people gaining access to an improved drinking water source
3.1.8.1-3	Number of people receiving improved service quality from existing improved drinking water sources
3.1.8.2-1	Percent of households using an improved sanitation facility
3.1.8.2-2	Number of people gaining access to an improved sanitation facility
3.1.8.2-3	Number of improved toilets provided in institutional settings
3.1.8.3-1	Number of policies, laws, agreements, regulations, or investment agreements (public or private) that promote access to improved water supply and sanitation
3.1.8.4-1	Public sector expenditures on drinking water and sanitation as a percentage of national budget
3.1.8.5-1	Percent of a drinking water utility’s supply that is non-revenue
3.1.9-1	Number of people trained in child health and nutrition through USG-supported programs
3.1.9-2	Minimum meal frequency for non breastfed children is defined as four or more feedings of solid, semi-solid, soft food, or milk feeds for children 6-23 months, with at least two of these feedings being milk feeds .
3.1.9-4	Prevalence of exclusive breast feeding of children under six months of age
3.1.9-6	Prevalence of anemia among women of reproductive age
3.1.9-11	Prevalence of stunted children under five years of age
3.1.9-12	Prevalence of wasted children under five years of age
3.1.9-13	Prevalence of underweight women
3.1.9-14	Prevalence of anemia among children 6-59 months
3.1.9-15	Number of children under five reached by USG-supported nutrition programs
3.1.9-16	Prevalence of underweight children under five years of age
3.1.9.1-1	Prevalence of children 6-23 months receiving a minimum acceptable diet
3.1.9.1-2	Women’s Dietary Diversity: Mean number of food groups consumed by women of reproductive age
3.1.9.1-3	Prevalence of households with moderate or severe hunger
3.1.9.1-4	Prevalence of exclusive breastfeeding of children under six months of age
3.1.9.2-2	Number of health facilities with established capacity to manage acute under-nutrition
3.1.9.2-3	Number of children under five who received Vitamin A from USG-supported programs
3.1.9.3-1	Percentage of national budget invested in nutrition
3.2.1-3	Number of administrators and officials successfully trained with USG support
3.2.1-14	Number of learners enrolled in primary schools and/or equivalent non-school based settings with USG support
3.2.1-15	Number of learners enrolled in secondary schools or equivalent non-school based settings with USG support
3.2.1-18	Number of PTAs or similar ‘school’ governance structures supported
3.2.1-27	Proportion of students who, by the end of two grades of primary schooling, demonstrate that they can read and understand the meaning of grade level text.
3.2.1-28	Proportion of students who, by the end of the primary cycle, are able to read and demonstrate understanding as defined by a country curriculum, standards, or national experts
3.2.1-30	Primary Net Enrollment Rate (NER)
3.2.1-31	Number of teachers/educators/teaching assistants who successfully completed in-service training or received intensive coaching or mentoring with USG support
3.2.1-32	Number of teachers/educators/teaching assistants who successfully completed pre-service training with USG support
3.2.1-33	Number of textbooks and other teaching and learning materials (TLM) provided with USG assistance

**MASTER INDICATOR LIST (MIL)**

Updated 9/28/2012

3.2.1-34	Number of standardized learning assessments supported by USG
3.2.1-35	Number of learners receiving reading interventions at the primary level
3.2.1-36	Number of schools using Information and Communication Technology due to USG support
3.2.1-37	Number of impact evaluations conducted
3.2.1-38	Number of laws, policies, regulations, or guidelines developed or modified to improve primary grade reading programs or increase equitable access
3.2.1-39	Number of classrooms built or repaired with USG assistance
3.2.1-40	Number and proportion of USG supported schools or learning spaces meeting criteria for safe schools program
3.2.1-41	Total number of person hours of teachers/educators/ teaching assistants who successfully completed in-service training or received intensive coaching or mentoring with USG support.
3.2.1-42	Total number of person hours of teachers/educators/ teaching assistants who successfully completed pre-service training with USG support.
3.2.1-43	Total number of person hours of administrators and officials successfully trained
3.2.1-44	Number of teachers in USG supported programs trained on how to support learners' psychosocial well-being.
3.2.2-33	Percent of USG-funded tertiary education and workforce development programs that include experiential and/or applied learning opportunities.
3.2.2-35	Number of U.S.-host country joint research projects.
3.2.2-36	Number of USG-supported tertiary programs with curricula revised with private and/or public sector employers' input or on the basis of market research
3.2.2-37	Percentage of graduates from USG-supported tertiary education programs reporting themselves as employed
3.2.2-38	Number of USG-supported tertiary education programs that adopt policies and/or procedures to strengthen transparency of admissions and/or to increase access of underserved and disadvantaged groups
3.2.2-39	Number of US-supported tertiary educational programs that develop or implement industry-recognized skills certification
3.2.2-40	Number of academic research initiatives whose findings have been replicated, applied, or taken to market
3.2.2-41	Number of individuals from underserved and/or disadvantaged groups accessing tertiary education programs
3.2.2-42	Number of tertiary institution faculty or teaching staff whose qualifications are strengthened through USG-supported tertiary education programs
3.3.1-13	Number of social protection policy reforms drafted, adopted or implemented with USG support
3.3.2-8	Number of vulnerable people benefitting from USG-supported social services
3.3.2-13	Number of service providers trained who serve vulnerable persons
3.3.2-15	Number of USG assisted organizations and/or service delivery systems strengthened who serve vulnerable populations
3.3.3-9	Number of people benefitting from USG-supported social assistance programming
3.3.3-15	Number of USG social assistance beneficiaries participating in productive safety nets
<b>Objective 4 Economic Growth</b>	
4--15	Growth in (real) gross domestic product (GDP) per capita
4--16	Ease of Doing Business rank
4--17	Prevalence of Poverty: Percent of people living on less than \$1.25/day
4.1-1	Three year average in the fiscal deficit as a share of GDP
4.1-3	Inflation Rate, consumer prices, annual
4.1-8	Government revenue (tax & non-tax), excluding foreign grants, as a % of gross domestic product (GDP)
4.1-9	Cash surplus/deficit (percent of gross domestic product)
4.1.1-12	Tax administration and compliance improved (% increase in tax collections) as a result of USG assistance
4.1.1-13	Number of tax regulatory and administrative procedures eliminated or improved as the result of USG assistance
4.1.1-14	Person hours of training completed in fiscal policy and fiscal administration supported by USG assistance
4.1.1-15	Number of days of USG supported technical assistance in fiscal policy and fiscal administration provided to counterparts or stakeholders
4.1.2-9	Real effective exchange rate is aligned with the nominal exchange rate (REER index as % of nominal index) as a result of USG assistance
4.1.2-10	Number of banking regulations changed to conform to modern international standards
4.1.2-11	Person hours of training completed in monetary policy supported by USG assistance
4.1.2-12	Number of days of USG supported technical assistance in monetary policy provided to counterparts or stakeholders
4.2-10	Foreign trade (X+M) as a percentage of GDP
4.2-11	Gross capital formation as % of GDP
4.2.1-16	Time to export/import (days)
4.2.1-17	Number of documents required to export/import goods across borders decreased as a result of USG assistance
4.2.1-18	Number of quantitative restrictions and quotas eliminated this year

**MASTER INDICATOR LIST (MIL)**

Updated 9/28/2012

4.2.1-19	Person hours of training completed in trade and investment enabling environment supported by USG assistance
4.2.1-20	Number of days of technical assistance trade and investment environment provided to counterparts or stakeholders
4.2.2-3	Number of firms receiving USG capacity building assistance to export
4.2.2-9	Number of firms receiving USG assistance that have obtained certification with (an) international quality control institution(s) in meeting minimum product standards
4.2.2-10	Person hours of training completed in trade and investment capacity building supported by USG assistance
4.2.2-11	Number of days of USG supported technical assistance in trade and investment capacity provided to counterparts or stakeholders
4.3-1	Domestic credit to the private sector as a percent of GDP
4.3-3	Interest rate spread (percentage points)
4.3.1-1	Has an automated off-site bank surveillance system been installed and made operational this year as the result of USG assistance?
4.3.1-10	Number of on-site bank audits or execution or supervisory examinations as the result of USG assistance
4.3.1-11	Person hours of training completed by financial sector supervisors supported by USG assistance
4.3.1-12	Number of days of USG funded technical assistance in financial sector enabling environment provided to counterparts or stakeholders
4.3.2-5	Bank nonperforming loans to total gross loans (%)
4.3.2-6	Amount of private sector financing mobilized with DCA guarantees
4.3.2-7	Number of financial institutions receiving USG assistance in extending services to micro and small businesses
4.3.2-8	Person hours of training completed by financial sector professionals on international standards supported by USG assistance
4.3.2-9	Number of days of USG funded technical assistance in financial sector capacity provided to counterparts or stakeholders
4.4-8	Number of beneficiaries receiving improved infrastructure services due to USG assistance
4.4.1-31	Number of beneficiaries with improved energy services due to USG assistance
4.4.1-32	Total public and private funds leveraged by USG for energy projects
4.4.1-33	Number of policy reforms/laws/regulations/administrative procedures drafted and presented for public/stakeholder consultation to enhance sector governance and/or facilitate private sector participation and competitive markets as a result of USG assistance
4.4.1-34	Person hours of training completed in technical energy fields supported by USG assistance
4.4.1-35	Number of days of USG funded technical assistance in technical energy fields provided to counterparts or stakeholders
4.4.2-15	Total public and private dollars leveraged by USG for ICT infrastructure projects
4.4.2-17	Number of beneficiaries receiving improved ICT services due to USG assistance
4.4.2-18	Person hours of training completed in communication services supported by USG assistance
4.4.2-19	Number of days of USG funded technical assistance in communication services provided to counterparts or stakeholders
4.4.3-7	Number of beneficiaries receiving improved transport services due to USG assistance
4.4.3-13	Kilometers of roads constructed or repaired with USG assistance
4.4.3-14	Person hours of training completed in transportation technical fields supported by USG assistance
4.4.3-15	Number of days of USG funded technical assistance in transportation technical fields provided to counterparts or stakeholders
4.5-2	Number of jobs attributed to FTF implementation
4.5-3	Percent change in agricultural gross domestic product (GDP)
4.5-4	Gross margin per unit of land, kilogram, or animal of selected product (crops/animals/fisheries selected varies by country)
4.5-9	Per capita expenditures (as a proxy for income) in USG-assisted areas
4.5-10	Total increase in installed storage capacity (m3)
4.5-11	Market discount of targeted agriculture commodities
4.5-12	Percentage of national budget invested in agriculture
4.5-13	Prevalence of Poverty: Percent of people living on less than \$1.25/day
4.5-14	Ease of Doing Business rank
4.5-15	Agricultural gross domestic product
4.5-16	Farmer's gross margin per unit of land
4.5-17	Farmer's gross margin per unit of animal
4.5-18	Farmer's gross margin per crate
4.5-19	Women's Empowerment in Agriculture Index
4.5.1-17	Kilometers of roads improved or constructed
4.5.1-21	Number of climate vulnerability assessments conducted as a result of USG assistance
4.5.1-22	Number of rural hectares mapped and adjudicated

**MASTER INDICATOR LIST (MIL)**

Updated 9/28/2012

4.5.1-24	Number of policies/regulations/administrative procedures in development stages of analysis, drafting and consultation, legislative review, approval or implementation as a result of USG assistance
4.5.1-25	Number of households with formalized land
4.5.1-26	Average number of days required to trade goods across borders (average of export/import time)
4.5.1-27	Average percent change in score on key areas of organization capacity amongst USG direct and indirect local implementing partners
4.5.1-28	Number of hectares with irrigation and drainage services
4.5.2-2	Number of hectares under improved technologies or management practices as a result of USG assistance
4.5.2-5	Number of farmers and others who have applied new technologies or management practices as a result of USG assistance
4.5.2-6	Number of individuals who have received USG supported long term agricultural sector productivity or food security training
4.5.2-7	Number of individuals who have received USG supported short term agricultural sector productivity or food security training
4.5.2-11	Number of food security private enterprises (for profit), producers organizations, water users associations, women's groups, trade and business associations, and community-based organizations (CBOs) receiving USG assistance
4.5.2-12	Number of public-private partnerships formed as a result of FTF assistance
4.5.2-13	Number of rural households benefiting directly from USG interventions
4.5.2-14	Number of vulnerable households benefiting directly from USG assistance
4.5.2-23	Value of incremental sales (collected at farm-level) attributed to FTF implementation
4.5.2-25	Number of people with a savings account or insurance policy as a result of USG assistance
4.5.2-27	Number of members of producer organizations and community based organizations receiving USG assistance
4.5.2-29	Value of Agricultural and Rural Loans
4.5.2-30	Number of MSMEs, including farmers, receiving USG assistance to access bank loans
4.5.2-32	Number of stakeholders using climate information in their decision making as a result of USG assistance
4.5.2-34	Number of stakeholders implementing risk-reducing practices/actions to improve resilience to climate change as a result of USG assistance
4.5.2-35	Percent change in value of intra-regional trade in targeted agricultural commodities
4.5.2-36	Value of exports of targeted agricultural commodities as a result of USG assistance
4.5.2-37	Number of micro, small and medium enterprises (MSMEs), including farmers, receiving business development services from USG assisted sources
4.5.2-38	Value of new private sector investment in the agriculture sector or food chain leveraged by FTF implementation
4.5.2-39	Number of technologies or management practices in development phases of research, field testing or made available for transfer of development as a result of USG assistance.
4.5.2-40	Number of hectares of agricultural land (fields, rangeland, agro-forests) showing improved biophysical conditions as a result of USG assistance
4.5.2-41	Number of water resources sustainability assessments undertaken
4.5.2-42	Number of private enterprises, producers organizations, water users associations, women's groups, trade and business associations and community-based organizations (CBOs) that applied new technologies or management practices as a result of USG assistance
4.5.2-43	Number of firms (excluding farms) or Civil Society Organizations (CSOs) engaged in agricultural and food security-related manufacturing and services now operating more profitably (at or above cost) because of USG assistance
4.6-1	Global Competitiveness Index
4.6.1-14	Number of municipal regulations and administrative procedures that have been simplified as the result of USG assistance
4.6.1-15	Number of commerce laws and regulations simplified and implemented in accordance with international standards as a result of USG assistance
4.6.1-16	Person hours of training completed in business enabling environment supported by USG assistance
4.6.1-17	Number of days of USG funded technical assistance in business enabling environment provided to counterparts or stakeholders
4.6.1-18	Formal sector employment as a percent of total employment
4.6.2-9	Number of private sector firms that have improved management practices as a result of USG assistance
4.6.2-10	Number of firms receiving USG assistance to invest in improved technologies
4.6.2-11	Person hours of training completed in private sector productive capacity supported by USG assistance
4.6.2-12	Number of days of USG funded technical assistance in private sector productive capacity provided to counterparts or stakeholders
4.6.2-13	Percentage of firms that have achieved improved technologies as a result of USD assistance
4.6.3-2	Number of persons receiving new employment or better employment (including better self-employment) as a result of participation in USG-funded workforce development programs
4.6.3-7	Share of women in wage employment in non-agricultural sector
4.6.3-8	Number of workforce development initiatives completed as a result of USG participation in public-private partnerships
4.6.3-9	Person hours of training completed in workforce development supported by USG assistance

**MASTER INDICATOR LIST (MIL)**

Updated 9/28/2012

4.6.3-10	Number of days of USG funded technical assistance in workforce development provided to counterparts or stakeholders
4.7-4	Prevalence of households with moderate or severe hunger
4.7-5	Commercial Bank Accounts per 1,000 adults
4.7.1-12	Total number of clients (households and/or microenterprises) benefiting from financial services provided through USG-assisted financial intermediaries, including non-financial institutions or actors
4.7.1-13	Number of financial intermediaries supported by USG assistance
4.7.1-14	Percent of microfinance institutions (MFI) showing a positive return on average assets (ROA)
4.7.1-15	Person hours of training completed by management and/or staff of financial intermediaries supported by USG assistance
4.7.1-16	Number of days of USG funded technical training provided to management and/or staff of financial intermediaries
4.7.2-8	Number of improvements in laws and regulations affecting the registration and operation of micro or small enterprises drafted with USG assistance
4.7.2-9	Number of improvements in laws and regulations affecting the registration and operation of micro or small enterprises enacted with USG assistance
4.7.2-10	Person hours of training completed by policymakers regarding the registration and operation of micro or small enterprises supported by USG assistance
4.7.2-11	Number of days of USG funded technical training in registration and operation of micro or small enterprises provided to counterparts or stakeholders
4.7.3-6	Number of microenterprises supported by USG enterprise assistance
4.7.3-7	Percent change in value of input purchases by micro entrepreneurs (or smallholders)
4.7.3-8	Person hours of training completed by employees of microenterprises supported by USG assistance
4.7.3-9	Number of days of USG funded technical assistance provided to employees of microenterprises
4.7.4-4	International Fund for Agricultural Development (IFAD) Access to Land Indicator
4.7.4-5	Number of households who have obtained documented property rights as result of USG assistance
4.7.4-6	Number of land governance actors receiving USG-funded training or upgraded facilities/equipment
4.7.4-7	Number of previously existing land and natural resource-based conflicts resolved in favor of the protection of the most vulnerable populations and local communities involved in areas receiving USG assistance for land conflict mitigation
4.7.4-8	Person hours of training completed by government officials, traditional authority, or individuals related to land tenure and property rights supported by USG assistance
4.7.4-9	Number of days of USG funded technical assistance on land tenure and property rights issues provided to counterparts or stakeholders
4.8-7	Quantity of greenhouse gas (GHG) emissions, measured in metric tons of CO <sub>2</sub> e, reduced or sequestered as a result of USG assistance
4.8-9	Increase in ratio of territory under protected status to the target of 10 percent of the area, for all biomes in a country
4.8.1-1	Number of hectares in areas of biological significance and/or natural resource showing improved biophysical conditions as a result of USG assistance
4.8.1-6	Number of people with increased economic benefits derived from sustainable natural resource management and conservation as a result of USG assistance
4.8.1-25	Number of hectares of natural resources showing improved biophysical conditions as a result of USG assistance
4.8.1-26	Number of hectares of biological significance and/or natural resources under improved natural resource management as a result of USG assistance
4.8.1-27	Number of people receiving USG supported training in natural resources management and/or biodiversity conservation.
4.8.1-28	Number of days of USG funded technical assistance in natural resources management and/or biodiversity provided to counterparts or stakeholders
4.8.1-29	Number of person hours of training in natural resources management and/or biodiversity conservation supported by USG assistance
4.8.2-6	Person hours of training completed in climate change supported by USG assistance
4.8.2-10	Amount of investment leveraged in U.S. dollars, from private and public sources, for climate change as a result of USG assistance
4.8.2-14	Number of institutions with improved capacity to address climate change issues as a result of USG assistance
4.8.2-26	Number of stakeholders with increased capacity to adapt to the impacts of climate variability and change as a result of USG assistance
4.8.2-27	Number of days of USG funded technical assistance in climate change provided to counterparts or stakeholders
4.8.2-28	Number of laws, policies, strategies, plans, agreements, or regulations addressing climate change (mitigation or adaptation) and/or biodiversity conservation officially proposed, adopted, or implemented as a result of USG assistance

**Objective 5 Humanitarian Assistance**

5.1-2	Percentage of refugees admitted to the U.S. against the regional ceilings established by Presidential Determination
5.1.1-3	Percentage of NGO or other international organization projects that include dedicated activities to prevent and/or respond to gender-based violence
5.1.1-5	Percentage of the population of concern who have returned home or have been resettled to a third country
5.1.1-6	Percentage of USG-funded NGO or other international organization projects that include activities or services designed to reduce specific risks or harm to vulnerable populations
5.1.2-3	Percent of planned emergency food aid beneficiaries reached with USG assistance
5.1.2-4	Percentage of surveyed refugee camps in protracted situations where global acute malnutrition (GAM) does not exceed 10 percent
5.1.2-5	Percentage of surveyed refugee camps in protracted situations where the mortality rate of children under five does not exceed emergency thresholds

**MASTER INDICATOR LIST (MIL)**

Updated 9/28/2012

5.1.2-6	Number of internally displaced and host population beneficiaries provided with basic inputs for survival, recovery or restoration of productive capacity as a result of USG assistance
5.2-3	Percentage of host country and regional teams and/or other stakeholder groups implementing risk-reducing practices/actions to improve resilience to natural disasters as a result of USG assistance within the previous 5 years
5.2.1-1	Number of countries with early warning systems linked to a response system in place as a result of USG assistance (Bureau reported)
5.2.1-2	Number of people trained in disaster preparedness as a result of USG assistance
5.2.1-14	Percentage of USG missions/embassies with trained mission disaster relief officers and/or alternates
5.2.1-15	Number of hazard risk reduction plans, policies, strategies, systems, or curricula developed
5.2.2-4	Kilometers of irrigation canals, drainage ditches, market feeder roads, and/or other measureable municipal services and/or market infrastructures rehabilitated
5.3.1-4	Percentage of migrants satisfied with all mandatory services received, including en route care, maintenance, and transportation to Israel
5.3.2-2	Percentage of countries participating in Bureau of Population Refugees and Migration-funded regional migration programs that strengthen or maintain capacity to screen and protect vulnerable cross-border migrants
<b>Capacity Building</b>	
CBLD-1	Number of awards made directly to local organizations
CBLD-2	Percentage of operating unit program funds obligated through partner country systems
CBLD-3	Percentage of operating unit program funds obligated to local organizations
CBLD-4	Percent of mission awards with organizational capacity development objectives or activities that require reporting on capacity development metrics on a regular basis
CBLD-5	Local Organizational Capacity Assessment Score
CBLD-6	Percent of all contracts awarded for commodities and equipment that are fixed price
CBLD-7	Percent of all other types of contracts (i.e. services) awarded that are fixed-price
<b>Gender</b>	
GNDR-1	Number of laws, policies, or procedures drafted, proposed or adopted to promote gender equality at the regional, national or local level
GNDR-2	Proportion of female participants in USG-assisted programs designed to increase access to productive economic resources (assets, credit, income or employment)
GNDR-3	Proportion of females who report increased self-efficacy at the conclusion of USG supported training/programming
GNDR-4	Proportion of target population reporting increased agreement with the concept that males and females should have equal access to social, economic, and political opportunities.
GNDR-5	Number of laws, policies or procedures drafted, proposed, or adopted with USG assistance designed to improve prevention of or response to sexual and gender based violence at the regional, national or local level
GNDR-6	Number of people reached by a USG funded intervention providing GBV services (e.g., health, legal, psycho-social counseling, shelters, hotlines, other)
GNDR-7	Percentage of target population that views Gender-Based Violence (GBV) as less acceptable after participating in or being exposed to USG programming
<b>Multilateral Contributions</b>	
MTLC-1	Percent of Major UN organizations funded by the IO&P account that have overall accountability ratings of at least 3 out of 5 on the United Nations Transparency and Accountability Initiative Phase II (UNTAI II) annual assessment
MTLC-2	Percent of OSCE Performance Budget Performance Reports (PBPR) programs that include specific project/fund level indicators, baselines, and a measurement of progress
MTLC-3	Percent of project and fund self-evaluations completed within 6 months of the end of the project with evaluation results submitted to the Office of Internal Oversight (OIO)
MTLC-4	Number of OSCE projects and funds that are regularly evaluated by external organizations
<b>Public/Private Partnerships</b>	
PPP1	Number of new jobs created as a result of USG-sponsored Public-Private Partnerships (PPP)
PPP2	Number of people benefitting from USG-supported Public-Private Partnerships (PPP)
PPP3	Number of organizations (for and not-for-profit, and government) that have applied new technologies and/or management practices due to USG-supported Public-Private Partnerships (PPPs)
PPP4	Amount of new revenue generated for the private sector partner as a result of USG-supported Public-Private Partnerships (PPP) (in USD)
PPP5	Number of new USG-supported public-private partnerships (PPPs) formed
PPP6	Value of new private sector and USG resources contributed to USG-supported Public-Private Partnerships (PPPs) (in USD)
<b>Science, Technology and Innovation / Research</b>	
STIR-1	Score on the Innovation Capacity Index among countries receiving USG assistance for science, technology and innovation programs.
STIR-2	Number of tools, technologies, or practices introduced to the commercial sector.
STIR-3	Number of new businesses established based on a new technology or innovation .
STIR-4	Person hours of training completed in science and technology workforce supported by the USG.

**MASTER INDICATOR LIST (MIL)**

Updated 9/28/2012

STIR-5	Gross domestic expenditure on research and development (GERD) as percentage of gross domestic product (GDP) for beneficiary countries, as measured by UNESCO Institute for Statistics
STIR-6	Number of scientific studies published or conference presentations given as a result of USG assistance for research programs.
STIR-7	Number of new, USG-funded awards to institutions in support of research.
STIR-8	Person hours of training completed in formal science or science-related training courses supported by the USG
STIR-9	Number of new research collaborations established between USG-supported beneficiaries and other institutions
