### *Program Description*

The Eisenhower Exchange Fellowship Program (EEF) was created in 1953 to honor President Eisenhower. The Eisenhower Exchange Fellowship Act of 1990 (P.L. 101-454) authorized a permanent endowment for the program and established a trust fund for this purpose.

The 1992 Department of State and Related Agencies Appropriations Act (Title V, P.L. 102-140) provided \$5 million to the trust fund to establish a permanent endowment for the EEF. The FY 1995 Department of State and Related Agencies Appropriations Act provided an additional payment of \$2.5 million to the trust fund. Interest and earnings from the trust fund are made available for the Eisenhower Exchanges Fellowships, Inc., by annual appropriation.

The EEF brings outstanding professionals who are emerging leaders in their countries to the United States and sends American counterparts abroad with a tailored program for each participant. EEF consists of these major components:

- Multi-Nation Program – Provides two-month U.S. fellowships for an Eisenhower Fellow representing 20 to 25 countries;
- Single Region or Common Interest Program – Provides two-month U.S. fellowships for 20 to 25 Fellows representing a range of professions from a single geographic region or professional area;
- USA Program – Sends eight to 12 Americans abroad, for one to two months, to countries where their fields can be enriched by persons, organizations, and institutions encountered; and
- Eisenhower Fellowships Network – Links alumni Fellows worldwide, enabling Fellows to collaborate on projects, extend and strengthen relationships, and develop international links. Approximately 1,700 men and women from over 100 countries have joined the ranks of Eisenhower Fellows since 1953, a significant percentage of who remain actively engaged in the Eisenhower Fellowships Network.

Eisenhower Exchange Fellowship identifies, empowers and links emerging leaders from around the world, helping them to achieve consequential outcomes across sectors and borders. EEF provides a transformational experience leading to lifetime engagement in a global network, where dialogue and collaboration make the world more prosperous, just and peaceful.

Regardless of country of origin, the common aspect across all fellowships is the emphasis on strengthened leadership among participants. This indicator will allow EEF to present how the fellowships impact awareness and potential as rising leaders. EEF is collecting this data.

## *Justification of Request*

The FY 2014 Request reflects \$400,000 in estimated interest earnings for the Eisenhower Exchange Fellowship Program Trust Fund. The FY 2012 actual net interest earned of \$326,640 is consistent to the earned interest reported in the most recent Treasury Combined Statement. Within this funding level, EEF will continue to support the following priorities:

- Providing learning and networking opportunities for mid-career international and U.S. leaders in preparation for increasingly senior positions in government, business, and non-governmental organizations;
- Exposing these emerging leaders to best practices in building democratic institutions and free markets; and
- Advancing peace through the increased international dialogue, understanding, and collaboration that result from the fellowships and from an active global alumni leadership network.
