Note: All individual country programs include administrative and management costs paid through 202(e) authority.

1/ To meet the sub-minimum mandate, sufficient funds will be used for non-emergency programs unless they are required for emergencies, in which case the USAID Administrator would waive the mandate after the beginning of the applicable fiscal year.

2/ This adjusts for funding available outside current year appropriations (e.g., reimbursements for use of U.S. flagged carriers, prior year deobligations, unobligated prior year balances).
