**Categories of individuals covered by the system:**
Individuals employed by or seeking employment with international organizations; members of Congress who have written to the Department of State in connection with international organization employment matters; applicants for employment with international organizations processed under Executive Order 10422; members of the U.S. National Commission for UNESCO, past, present, and prospective.

**Categories of records in the system:**
Biographic information; resumes and/or employment application forms; letters of recommendation and reference checks; letters of referral; related communications and notes, including copies of letters from members of Congress; letters from individuals; requests for E.O.10422 processing and results.

**Authority for maintenance of the system:**

**Routine uses of records maintained in the system, including categories of users and the purposes of such uses:**
Records of individuals employed by or seeking employment with international organizations are used to determine qualifications of candidates for specific jobs with international organizations, to correspond with Missions and Embassies concerning candidates, to correspond with the individual candidates, or to respond to a Congressional inquiry. Records on applicants for employment with international organizations processed under Executive Order 10422 are used to process the Loyalty Clearance request and to maintain a record of the clearance status. Information from this system is used to notify international organizations of the status and results of E.O.10422 processing. Copies of resumes or applications are referred to international organizations, private foundations, and Federal agencies involved in the recruitment of candidates. In addition, information contained in these records is released to other government agencies having statutory or other lawful authority to maintain such information. Also see \"Routine Uses\" paragraphs of Prefatory Statement.

**Policies and practices for storing, retrieving, accessing, retaining, and disposing of records in the system:**

**Storage:**
