Includes full name, professional degree, address to include post/city location, email and phone numbers for U.S. Government medical staff. The record includes a listing and assessment of medical services and capabilities of local non-U.S. Government facilities.

AUTHORITY FOR MAINTENANCE OF THE SYSTEM:

PURPOSE:
These records are utilized and reviewed by medical and administrative personnel of the Office of Medical Services (MED) for making clearance decisions for individuals eligible to participate in the health care program and as a reference for local medical capabilities. It is also used as a directory of MED employees working overseas.

ROUTINE USES OF RECORDS MAINTAINED IN THE SYSTEM, INCLUDING CATEGORIES OF USERS AND THE PURPOSE OF SUCH USES:
Information in this database may be disclosed to other federal agencies with personnel posted overseas as a reference for medical facilities and capabilities at overseas posts. The contact information portion of the database may be shared with private sector entities when required as part of U.S. Embassy services or the operations of the State Department Medical Program.
The Department of State periodically publishes in the Federal Register its standard routine uses that apply to all its Privacy Act systems of records. These notices appear in the form of a Prefatory Statement. These standard routine uses apply to the Post Capabilities Database, State-71.

POLICIES AND PRACTICES FOR STORING, RETRIEVING, ACCESSING, RETAINING, AND DISPOSING OF RECORDS IN THE SYSTEM:

STORAGE:
Electronic.

RETRIEVABILITY:
By individual name, or by post location.

SAFEGUARDS:
All State Department users are given information system security awareness training, including the procedures for handling Sensitive But Unclassified information and personally identifiable information.
Annual refresher training is mandatory. Before being granted access to the PCD, a user must first be granted access to the Department of State computer system. Remote access to the Department of State network from non-Department owned systems is only authorized through Department approved access program. Remote access to the network is in compliance with the Office of Management and Budget Memorandum M-07-16 security
requirements of two factor authentication and time out function. All U.S. Government employees and contractors with authorized access have undergone a thorough background security investigation. Access to the Department of State, its annexes and posts overseas is controlled by security guards and admission is limited to those individuals possessing a valid identification card or individuals under proper escort. Access to computerized files is password-protected and under the direct supervision of the system manager. The system manager has the capability of printing audit trails of access from the computer media, thereby permitting regular and ad hoc monitoring of computer usage. When it is determined that a user no longer needs access, the user account is disabled.
