The Ministry of Foreign Affairs of the Republic of Moldova proposes to the Embassy of the United States of America that, on a reciprocal basis, dependents of employees of the Moldovan Government assigned to official duty in Washington, D.C., and dependents of employees of the Government of the United States of America assigned to official duty in Moldova be authorized to be employed in the receiving country.

For the purposes of this agreement,

"Dependents" shall include:

Spouses;

Unmarried children who are physically or mentally disabled.

For the purposes of this agreement, it is understood that employees assigned to official duty includes diplomatic agents, consular officers, and members of the support staffs assigned to diplomatic missions, consular offices and missions to international organizations.

In the case of dependents of employees who seek employment in Moldova, an official request must be made by the United States Embassy in Chisinau to the Moldovan Ministry of Foreign Affairs, which, after verification, shall then inform the United States Embassy that the dependent may accept employment.

In the case of dependents who seek employment in the United States, an official request must be made by the Embassy of the Republic of Moldova in Washington to the Office of Protocol in the Department of State. Upon verification that the person is a dependent of an official employee of the Moldovan Government, the Moldovan Embassy will be informed by the Government of the United States that the dependent has permission to accept employment.

The Moldovan Government and the U.S. Government wish to clarify their understanding that dependents who obtain employment under this agreement and who have immunity from the jurisdiction of the receiving country in accordance with Article 31 of the Vienna Convention on Diplomatic Relations or in accordance with the Convention on the Privileges and Immunities of the United

Such dependents are also liable for payment of income and social security taxes on any remuneration received as a result of employment in the receiving state.

The Ministry of Foreign Affairs of the Republic of Moldova further proposes that, if these understandings are acceptable to the Government of the United States of America, this note and the Government of the United States of America’s reply concurring therein shall constitute an agreement between our two governments which shall enter into force on the date of that reply note. This agreement shall remain in force until ninety days after the date of the written notification from either government to the other of intention to terminate.
