*The Department of State to the Swedish Embassy*

The Department of State acknowledges receipt of Note No. 112 dated July 22, 1981,<sup>[1]</sup> from the Embassy of Sweden proposing the conclusion of a bilateral agreement on the employment of dependents of United States and Swedish Government officials in the territory of the other. The Department enthusiastically welcomes this proposal and suggests the following specific language for the agreement:

"The United States and Sweden agree that, on the basis of reciprocity, dependents of employees of one Government assigned to official duty in the territory of the other will be authorized to accept employment under the terms set forth herein. 'Employees' covered by this agreement are those persons assigned to diplomatic and consular missions, as well as persons assigned to missions to international organizations.

"Before such dependents commence employment in the receiving State, the embassy of the sending State shall make an official request for approval. In the case of Sweden, such request shall be forwarded to the Protocol Division of the Ministry for Foreign Affairs. In the case of the United States, the request shall be forwarded to the Office of Protocol of the Department of State. Upon verification that the person in question qualifies as a dependent to whom this

agreement is applicable, the protocol office shall inform the embassy that the dependent has permission to accept employment. The procedures followed by the respective protocol offices shall be those prescribed by the laws, regulations and practices of the receiving State but shall be applied in a way which facilitates acceptance of employment as quickly as possible.

"In the case of dependents who obtain employment under this Agreement and who enjoy immunity from jurisdiction of the receiving State in accordance with the Vienna Convention on Diplomatic Relations,<sup>[1]</sup> or under any other applicable international agreement, the sending State agrees to waive irrevocably such immunity with respect to civil and administrative jurisdiction relating to all matters arising out of the employment. Such dependents shall also be obliged to pay income taxes imposed by the receiving State on any remuneration received as a result of their employment."

The Department of State proposes that this note and the Embassy's note in reply confirming the acceptability of its contents constitute an agreement which shall enter into force on the date of the Embassy's reply note and shall remain in force until ninety days after the date of a written notification from either Government to the other of intention to terminate it.
